29	30	31				

LEDGEND:  - Garbage Day  - Recycling Day

Municipality of Minitonas-Bowsman

Garbage Pick-up Policy - PubWork2

Date Adopted: May 17th, 2016

Residential garbage must be ready for pickup at 8:00 am on Monday (Unless Monday falls on a holiday then it will be picked up the following business day.) Should garbage be put out on a day other than Monday, Public Works staff could possibly be directed to pick up the garbage at the homeowner/tenants expense at a minimum rate of \$50 per trip.

The Municipality recommends the use of garbage bins/cans to keep animals/birds from getting into the garbage. All garbage must be bagged and not placed loosely in garbage cans. Do not mix yard waste with household garbage. Homeowners/tenants are responsible for keeping their container clean. The Public Works Department will not pick up or clean up garbage if bags are ripped.

The weight of each garbage bag should NOT exceed 23kg per bag (50 lbs). Large amounts of household waste and large items (furniture, appliances, etc.) are not part of weekly garbage collections. Delivery of this refuse to the Waste Management Facility is the responsibility of the homeowner/tenant.

Nuisance Ground Hours
